

2018 THINKING THURSDAY SEMINAR APPLICATION

**THIRD THURSDAY OF EVERY MONTH FROM 8:30-10:00AM
AT THE KALISPELL CHAMBER OF COMMERCE**

Thinking Thursday began in January 2017 as a way for the Kalispell Chamber to provide educational opportunities to members while highlighting the support member businesses can give others in the community.

These seminars are informative, interactive, and leave attendees with several takeaways they can implement immediately to help grow their business, organization, or personal selves. Attendance at Thinking Thursday events ranges from 15-40 attendees. Both hosting and attending Thinking Thursday seminars are free.

We're looking to fill our 2018 Thinking Thursday calendar. Think you have something valuable to share that could help others grow their business and make the Flathead a better place to live and do business? Please complete the below application.
