

Flathead Area Young Professionals

Creating a pathway of opportunity as the largest young professional network in Northwest Montana.

Flathead Area Young Professionals is a high-performing development group for young professionals ages 21-39 from across the valley. Established in 2000 to provide a support system for individuals who are in the early stages of their careers, FAYP recognizes the need to create a unique community that appeals to this demographic, providing a variety of events and programs designed to both further young professionals' skills and position the Flathead Valley as the ideal place to work and live.
