In the afternoon, your time is free to explore or take an optional tour to Gordes, a hilltop village in the Luberon region. Its houses and buildings of white stone root themselves into the sharp cliff of the mountain. Its labyrinth of "calades," narrow cobblestone streets, do not leave the visitor indifferent to its charms. Continue to Roussillon, a village that has seduced many artists. Its houses offer the passers-by a harmony of enchanting colors, art galleries, and some excellent restaurants. Afterward, as part of our Cultural Discovery Series, visit the Senanque Abbey and Lavender Museum. The Abbey of Senanque has become one of the symbols of Provence because of its idyllic setting. It was rediscovered only in the 1920s by a group of painters, including Chagall, who lived here and is entombed here. Afterwards, it is time for our Cultural Discovery Series and time to learn and taste the local specialties – olive oil, cheese and wine. (B)
