PRESIDENT & CEO | DISCOVER KALISPELL CHAMBER OF COMMERCE

We hope you will come to Kalispell's front porch for our 3rd Summit. Growth is inevitable - embracing it is optional. In the fall of 2022, the Discover Kalispell Chamber and our tourism arm, Discover Kalispell embarked on a project to gather growth sentiment and we called it - Community Conversations. We will share the outcomes, many of which will come as no surprise. We want to use this time to build out strategies and tactics to address the very valid and real concerns residents are expressing and feeling. We believe with you - the right people - on the front porch - we can design the foundation for a 3-5 year Community Visioning project to help thoughtfully design our future. Please join us!
