

Growth Summit '23 Work Session Report

Overview

April 19th, 2023 participants joined us for the 2023 Growth Summit sponsored by Florida State. We posed a number of questions during a work session to determine next steps for engaging our community through various means to grow our institution's community. Below is a report of the work session's outcomes and the community's feedback. We will continue to work with our community to address the needs, concerns, and feedback of our stakeholders and address the growth and development of our institution.
