

## GROW YOUR BUSINESS! Licensing your Pre-School Business

### VENTURE BOLDLY

**90%**

OF A CHILDREN'S DEVELOPMENT  
TAKES PLACE IN THE FIRST 5 YEARS

**80%**

OF THE ECONOMY'S GROWTH  
IS GENERATED BY THE SERVICE  
SECTOR

These are the most important years of a child's development and YOU can make a lifetime impact by providing quality childcare care. Your licensed childcare program can support the local economy as a whole by allowing parents to work hours at work.

You already have a childcare business, but have you considered what you can gain by becoming a licensed childcare business?

#### Benefits of Licensing your Business:

**Best Beginnings Scholarship** - As a licensed program, you'll be able to accept Best Beginnings funds.

**CACFP Reimbursement** - Child and Adult Care Food program.

**Financial Incentives** - The Nurturing Center offers \$200-\$3000 financial incentives for new program start-up.

**Support, Information, & Emergency Planning** from the Nurturing Center.

**Referrals from Nurturing Center** - As the Nurturing Center receives inquiries for available childcare spaces, they are only referred to licensed care programs.

**Reduced Liability** - You'll be operating a quality program where you're taking proper measures to ensure child and facility safety.

**Existing Business Space** - you may already be able to utilize your existing home/commercial space (25¢ per child).
