4-H/FFA MARKET LIVESTOCK SALE 2025 NORTHWEST MONTANA FAIR

The 4-H/FFA Market Livestock Sale at the Northwest Montana fair is the culmination of 3 - 9 months of work by the 4-H/FFA members who have market animal projects. The buyer at the auction is a vital part of the whole effort to make this a worthwhile project for the members. Generally, the animals sell at a premium which recognizes several aspects of the project.

- Members are feeding only one or two animals and buying feed in small lots, so their costs are quite a bit higher than a commercial operation.
- The premium is an incentive to get kids involved in caring for animals. It does an excellent job of developing work skills and a sense of responsibility. These members learn positive work ethics!

AFTER YOU HAVE PURCHASED an animal there are **FOUR OPTIONS**:

1. **PROCESS** for your own consumption. All animals will be processed locally. Buyers are asked to select a processor on the buyer's request form. The Committee will deliver animals to the selected processor.
Buyers need to contact the processor Monday (especially hogs) with cutting orders.
2. **RESELL** the animal for the posted market prices and you will be reimbursed for that amount from the Flathead Livestock Sale Organization.
3. **PROCESS & DONATE** the meat to the charity of your choice. You will also be donating the cost of processing with this option, unless you choose Processor Partnership
4. **RESELL & DONATE** the cash to the charity of your choice.

Unless otherwise specified, all donated animals will be marked for resale with the proceeds going to the charity.

PAYING THE 4-H/FFA MEMBER: A big difference in the sale is you will pay the Flathead Livestock Sale Organization for the animal. You may pay the day of the sale or an invoice will be sent to you Monday asking for payment. **There will be a 1% buyers fee charged to help pay for the sale, if a credit card is used there will be a 3% up charge for the use of the card.** Please pay as soon as possible so we can get checks made to the members. The members will come to you with their picture, two or more weeks after the sale to thank you. They will present to you a form verifying they have been to visit you. Please sign. Once they have that signed form they will bring it to their FFA Advisor or 4H agent and only then will they get a check.

OTHER INFORMATION:

- * Several firms or individuals may go together and buy an animal. If you want a proxy buyer please contact Mark Lalum 406-261-1654 or Tom Anderson 406-253-5209.

Sale Sponsored by: Flathead Livestock Sale Organization

Completing the Buyer's Request

A 4H or FFA member will bring you this buyers request form right after you buy the animal. Please complete the form in its entirety and return to the member. Be sure and include you cell phone number and email address in case we have questions. Any animals without a buyers form by 3pm the day of the sale, the committee will mark as

Business name will be used for advertising purposes by the student and 4-H/FFA. **Please print it exactly as you would like to be recognized.**

Address & phone number will ensure that the member can communicate with you.

CHOOSE a processor unless the animal is being "resold". **Do not mark both Resale and Process.**

Producer Partnership is donations only at no cost to buyer. Has Processing restrictions—see flyer

Would you like to "Resell" the animal for the posted market price?

Select "Payment to Buyer" to be reimbursed that amount by the Flathead Livestock Sale Organization.

Select "RESALE - donation to charity, no meat" to have the resale value of the animal donated to the charity of your choice.

REMEMBER to pick up your processed meat

We are partnering with the Producer Partnership
**to process animals that are
purchased as donations
free of charge**
in their USDA inspected facility in Livingston.

This option, with USDA inspection, opens the doors to donate the protein to nonprofit organizations of the buyers choice such as schools, food banks and senior centers.

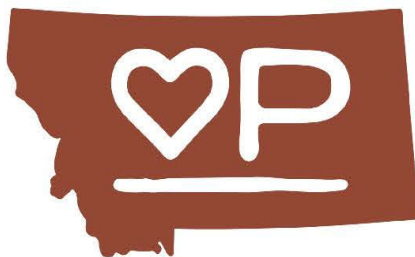

The Producer Partnership will:

Pick-up the animals purchased as donations and transport them to their USDA facility in Livingston.

Contact the nonprofit organization, school, etc on how they would like the animal processed.*

*Note: The Producer Partnership is not able to process wild game, fowl or cure/smoke pork for bacon or ham.

Will deliver the processed protein to a central location for pickup by the nonprofit organization who is receiving the donation.

**THE PRODUCER
PARTNERSHIP**

The Producer Partnership was founded in Spring 2020 with the mission to end hunger in Montana. The nonprofit organization partners with livestock producers across the state by processing donated livestock into top quality protein and providing it to food banks, schools and senior centers to help those in need. This is the spirit of Montana neighbors helping one another.
